Governing Body news

At the first annual meeting of the academic year new governors are elected to positions within the governing body. We wish to congratulate Narinder Chaggar who will now have the role of Chair of Governors, Frank Crookenden Johnson who will retain the role of Vice chair and Councillor David Mackintosh who will be the safeguarding governor. Welcome to our new parent governor Gary Parkins. Sean Usher, who has been our chair of governors for 8 years, will no longer be on the governing body due to other commitments but we wish to thank Sean for the time and support he has given to the school years.

Extra Curriculum Clubs

This week has seen many of our extra curricular clubs starting. Two street dancing clubs, a netball club and four gymnastics clubs have started this week. Next week will see the start of even more clubs including guitar, running club, French, Change for Life Clubs, Ukelele and orchestra. We try and offer a wide range of clubs across the year groups throughout the year. Spaces are obviously limited but we will hold waiting lists and aim to include everyone at some point in the year. These clubs are paid for by the school as we are keen for everyone to take part in these additional opportunities.
