Mrs Carroll

As you are aware Mrs Carroll a much loved teaching assistant who worked at our Bellinge site sadly died last weekend. We have had some enquiries from Parents who wish to make a donation in her memory. We will have a collection pot in main reception if anyone wishes to donate, and the collection will go to a charity nominated by her family from parents. Our thoughts are with her family at this very sad time.

Artificial pitch Construction at Bellinge Campus

Work will start on Monday on construction of the artificial pitch. This will mean that there are a number of weeks of disruption, mud and mess—but hopefully all worth it in the end.

This will mean that from Monday parking at Bellinge will be very restricted as large vehicles will access the field via the car park.

It will also mean that part of the playground will be fenced off to pupils and the play area will be reduced.

Please can you ensure that children stay away from fencing and equipment in the mornings and after school when under your supervision.

The car park walking access will also be open to more vehicles so please ensure children are accompanied and safe when coming into and out of school.

Pupil Premium

Please, please, please urgently fill in and send back the request you have received to allow us to check if your child is entitled to free school meals. This has such an impact upon the amount of funding the school receives and this means that we will be able to continue to offer free clubs, subsidise trips and a range of other benefits.

Swimming Gala

A group of our Year five and six pupils took part in a swimming gala yesterday and really made us proud.

Christmas Dinner

Christmas Lunch will be served on **16th December**. If you would like your child to have Christmas dinner please book this on the Live Kitchen system before **Friday 9th December**.

Party Day

Party day will be on Monday 19th December. Children may wear practical party clothes to school but please ensure they are warmly dressed with sensible footwear as we will be going out at playtimes.

Children will be asked to provide party food to share—information will be given out in classes.
No hot meals are available on this date.

Clubs

Most clubs finish on the week ending Friday 9th December due to Concerts the following week. However Maths boosters will continue until 16th December on both sites and one final cooking club will take place on Monday 19th December at Bellinge site.
