Happy New Year

Welcome back to a new term. This term promises to be a very exciting one with lots of opportunities for the children and exciting whole school projects. We hope that 2017 will be a great year for all of our school community.

Primary Applications

The last day for primary applications is 5pm on 15th January. Please make sure you put in your application on time as we are usually over subscribed for reception year places.

Bags to School (EB SITE ONLY)

All children should now have brought home their Bags to School. The list of items that can go in it are printed on the side and we will begin collecting items on Friday 27th January and Monday 30th January. Please do not bring bags in before this point as we have very limited space to store them all.

The school will receive a donation from the company for each bag collected and our Eco Committee will decide upon the best use of the money to help to keep Ecton Brook an environmentally friendly school. Please have a clear out and donate if you can. Many thanks.

Thank you to everyone who has checked to see if they are eligible for Free School Meals. If you have not checked please contact the office and they will check for you.

Sports Update

Our Year 3/4 Gymnastics team competed in a competition on Wednesday after school. They tried really hard to remember their routines and we will find out how they have done next week.

Swimming

The children in Year 5 on the Bellinge Campus have started their swimming sessions this week. The children from Year 5 on the Ecton Brook site have another few weeks left of their swimming sessions.

Archery Competition

Miss Pilgrim is starting to run a number of archery competitions for all children who wish to participate in the school halls. Children will compete to win points for their house which will go towards the final yearly total. Each year group will have an opportunity to participate in turn.

All Weather Pitches

The fences are starting to go up around our all weather pitches and hopefully they will be finished and ready to use in a couple of weeks.

Change to lunch menu

There has been a change to the lunch menu for **Thursday 19th January**. It will now be chicken nuggets. **All previous orders have been cancelled so lunch for this day will need to be re booked.**

Attendance

Our whole school attendance is currently 95.3%. Although this is above the government target it is below the school target of 96%.

Snow Closure

During wintry weather we will try to make sure that school is still open whenever possible. If we do get heavy snow and staff are unable to travel in to school we would inform of any school closures via Parent Text.

We don't anticipate this will happen - but just in case. Please ensure we have your correct mobile numbers.

Northampton Health Walks

Active Billing Community Health Walk

Starts Monday 9th January 2017

NEW!

Short Walk Time: 11:00am

NEW!

Extended Walk Time: 11:45am
