## Comic Relief Red Nose Day

Just a reminder that we will be celebrating Red Nose Day by inviting children to wear something red and bring in a donation for comic relief on Friday 24th March.

The noses will be sold every day at school while stocks last.

So far we have sold **over 900** red noses.

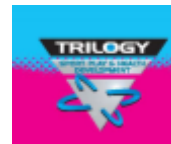

Thank you Mrs Timmis for organising the noses.

## Family Fun Day

There is a Family Fun Day at Lings Forum this Saturday 1pm—5pm. Find out more at : [trilogyleisure.co.uk](http://trilogyleisure.co.uk)

## Tempest and Strictly Tickets

Some of our children will be performing at the Derngate Theatre as part of a Tempest production performed by a group of Northampton schools.

This performance is on

**Monday 20th March.**

To purchase tickets please contact the Derngate box office or book online.

Our Year 3/4 children are also dancing in the Junior Strictly competition. Please contact The Deco for tickets. They are dancing on **Saturday 25th March.** Good Luck to both groups of children and enjoy this amazing opportunity.

## Sports Update

This week has once again been a busy week of sport.

On Wednesday we had 32 children taking part in the town cross country event at Abington Park. The Year 4 children had to run 1KM, the Year 5 children 2KM and the Year 6 children 3KM. All of the children tried really hard and showed great resilience. Luckily this year the weather was perfect for this event.

Also on Wednesday our Year 5/6 football team played again in a very hard fought match against Boothville Primary School. The team showed great determination and the final result was a draw. Next week our team plays against Lings Primary School.

On Thursday 30 of our Year 3 children went to the Northampton Academy to take part in a multisports event. During the afternoon the children got the chance to try a variety of different sporting activities.

## Science Workshops

This week all of our Year 6 classes participated in science workshops run by Unilever. The children had a really enjoyable experience and hopefully working with scientists will have inspired some of our children to become scientists themselves in the future. Many thanks to Mr Nandi, one of our governors, for organising this event for our children.
