Strictly Come Dancing

Our Year three and four Strictly teams on both sites took part in a competition at the Deco last Saturday.

Both teams danced beautifully and did us proud. We await the results of scores overall as the top six teams are invited back to the Derngate to dance at a later date.

Ecton Brook site were placed first from the morning overall and went on to a dance off in the Evening, when they were placed as runners up. A big thank you to parents who brought their children to the theatre and those that then had to return that night to dance again. The staff who worked with our Strictly children also put in lots of time and effort—thank you for your hard work. It was such an exciting day for children, staff and parents.

Happy Easter

We start the Easter holidays today and children return to school on Wednesday 19th April. Have a happy and safe break and we look forward to seeing the children after the holidays.

Lates and Learning

Classroom doors open at **8.45am** and the children begin their learning. If your child arrives at **8.50am** each day for one week that results in 25minutes of lost learning.

Over 4 weeks this is 100 minutes. Over a term this results in 1000 minutes of lost learning. This is the equivalent of 16 hours (or 3 days) absence.

It is important that your child arrives at school at 8.45am every day so that they do not miss out on any learning.

Live Kitchen

The menu for after Easter is now live on the Live Kitchen website. Please ensure you book a dinner for the first day of term or contact the school office if you have an issue. At the start of every term we have a high number of pupils who have not had a meal booked and this means that they have not been catered for. If your child needs a meal and you have not booked we may have to ring to request you bring in a packed lunch for them.

Attendance Update

This week the attendance trophy was won by Class 15 with 99% and class 5 with 99.7%. Many congratulations to both classes.

Whole school attendance is 95.6% which is below the Government's target of 96%.
