## **All Weather Pitches**

It is a very exciting time at both of our sites at the moment as we have just opened our all weather pitches. This means that we have more room at playtimes and we aren't losing apparatus as much, as we can contain it behind the fence. We are very pleased with the pitches and our fields have now been seeded to try to repair the damage done by the heavy vehicles. The children are really enjoying using the new pitches. We have talked to all of the children about rules and safety when using the pitches — and definitely no sliding tackles — as the sanded surface can cause a nasty graze if children fall over.

## **Grendon**

This week we took 77 amazing children to Grendon Residential centre. They took part in activities such as archery, obstacle courses, swamp run and a campfire. Children had a fantastic time, got a little bit of sleep, and arrived back safe and happy.

## **Marathon Mufti Day**

Thank you so much for your support last week. We managed to raise £446 for our joint Npat charities. Our own Mrs Cowley ran the London marathon in a fantastic time of 4 hours and thirty minutes and will go on to run a second marathon in Milton Keynes this weekend.

## **Multisports and Young Leaders**

Children from Key Stage two on both sites attended a multisports festival at Lings Forum this week. Our Young Leaders also attended a training day at Benham Arena please see the Sports blog for pictures.

## **Strictly Amazing**

We have received the points back from the Year three and four strictly competition and both of our teams have made it through to a follow up competition at the Derngate Theatre on 24th June. Well done to all of the children for dancing their socks off and working so hard. This is also the date of the Year one/two competition. Letters will follow regarding a Year one/two club.

## **Active Kids Vouchers**

There are only seven more days to collect Active Kids Vouchers from Sainsburys. If you have any of these vouchers please bring them into school so that we can use them to exchange for sports equipment.

## **Year Group Assembly Dates**

The celebration assemblies start at 2:30pm. Can we ask that parents wait outside of school until 2:25pm as it gets very busy in the office area.
