## Harvest Festival Appeal

The children in Years 1- 6 will be having a Harvest Festival at school on Monday.

**Please could children bring in donations of tinned or packaged food so that we can give a food donation to a local food bank.**

Unfortunately, due to limited space, we are unable to invite parents to this event.

## Bikes

Can we remind everyone that for safety reasons bikes cannot be ridden on the school premises unless it is part of a school lesson. We have had some near misses and we are concerned about the safety of pupils and adults.

## Good Luck

We wish Miss Rosie good luck as she will be starting her maternity leave next week.

## Sports update

This week has been a busy week for sports. On Monday a group of children went sailing. We also had a new age kurling competition for our three teams against another school. The children tried really hard and improved throughout the competition, On Tuesday we took a group of children Ten Pin Bowling which the children and staff found great fun. On Wednesday we hosted a girls football tournament and our team came third. Today thirty of our Year 5 children had a day of Young Leader training.

## Clubs

What a busy start to the new school year! At present we have 32 clubs running either before school, at lunchtime or after school across the two sites. All of these clubs are fully paid for by the school. Some of the clubs have a really high take up rate, so the group list will change throughout the year in order to try and ensure that all pupils get a place.
