## Harvest Festival Appeal

Many thanks to everyone who brought in a food donation for our Harvest Celebration. Your generous donations are being taken to a local food bank to help local families.

## Online payment system

We will be sending home a letter very soon detailing information regarding an online payment system. We have many requests from parents asking us to take card payments or for the capacity to pay online for trips and wrap around care.

We are also looking at our uniform being available online which you can order and have delivered directly to you.

We will update you fully as to what date this will be actioned from and exactly how to go about this process.

We look forward to a smoother and, hopefully, more timely system that will be far more convenient for you.

## Baby News

We would like to congratulate Mrs May on her imminent arrival and we are also delighted to tell you that Miss Nice and her partner are also expecting an exciting delivery in the future!!

## Clubs

We are very proud to say that we currently have over thirty free breakfast, lunch and afterschool clubs running across both sites in a range of year groups. The school allocate a large amount of funding to ensure that all children who wish to, can access these at some point. We do however have the difficult job of allocating places throughout the year so that no children miss out. We have 624 pupils in the school and this is a big job. We try to ensure that communication around clubs is clear and timely, but on occasion challenges arise due to the huge range of free activities on offer. We thank you for your patience and support in this matter.

## Dates

13th October 2.30pm -Year 4 Assembly

18th /19th October -Termly Learning Conferences

20th October 2.30pm -Year 3 Assembly

**6th November - School Photographer**

10th November - School Open day for prospective Reception year parents

## Northampton in Bloom awards

We have been invited to the awards ceremony at the Guildhall next week to hear about the results of the judging for the Northampton in Bloom competition.

We have a thriving gardening club at our Bellinge Campus and they and the adults have been responsible for some striking displays of fruit and vegetables.

## Attendance

Well done everyone.

Our attendance so far this academic year is 97%. This is the highest percentage we have had for quite a while and hopefully we can continue to improve!
