Super Science

Year six pupils had the opportunity to dissect a heart last week in their science lesson. The children were investigating the circulatory system and the practical opportunity caused much excitement in the year group.

Children in Need

We will be dressing up in **SPOTS** for **Children in Need** day on **Friday 17th November**.

Children are requested to dress in spotty clothing and bring in a donation for children in need.

Your school needs you !!

We have a vacancies for Parent Governors. The role entails attending termly meetings in the evenings, training and spending some time monitoring in school. If you wish to be considered for this voluntary position please would you give your name and contact details in to the school office. If we receive more nominations than vacancies we will ask parents to vote to elect the new Governors. The Governing body also complete a skills audit to ensure that we have all of the expertise required on the Governing body.

Celebration Assembly

Dates

Year 2 - November 17th

Year 1 - November 24th

The assemblies start at 2:30pm and adults can come into school from 2:25pm.

Open Day

Today we had an Open Day for people to come and have a look around our sites as their children are starting school next September. There were many positive comments made about how well the children in our school behave. Well done.

Flu immunisations

The flu immunisations for the children on the Ecton Brook Campus up to Year 4 will be taking place on Monday 13th November.

Reading Workshops

We have been holding a number of reading workshops and invite parents from the Bellinge Campus with children in Year one and two to come along to the following session from **8:45am - 9:30am** on Thursday 16th November 2017.

PTA Discos

Many thanks to the PTA for running four discos this week for our children on both sites. The children had a really good time and showed some great dance moves!
