Welcome Back

Happy New Year and welcome back. We have lots of exciting things happening this half term including a whole school Hamlet Project, a Young Voices performance, Year 5 swimming lessons and a Year 4 brass project at the Bellinge campus. We have a number of school trips organised for this term which we have subsidised as a school and we hope that children will be able to attend. Details of these will come forward from year groups by letter. You will also be receiving information on our new Relationships scheme of work which will be by letter again in the next few days. Please read this carefully and if you have any questions you wish to ask class teachers or ourselves, please do so.

We hope to have a very productive term and we are happy to be back in the normal routine after our Christmas excitement.

Castle Day - Hamlet Launch

We had a very exciting day on Monday this week when we launched our whole school Hamlet project. Children all came to school dressed as someone who lives or works in a castle. We had a school full of royalty, knights, cooks, servants, archers and even a few dragons! Thank you for your support for this day. Each class has made a shield and Standard which is displayed in each hall and we will be working on our Hamlet theme throughout this term age appropriately.

Parking

Can we please ask everyone to be considerate when parking around the school to ensure the safety of our children.

Primary School Applications Closing Date

Please be aware that the closing date for primary school applications is **Monday 15th January**. Applications are made online. Please see family workers for support if you need any assistance with this. If you do not apply for your preferred place within this time it is very unlikely you will receive your first choice of school for your child.
