Saints Study Centre

Thirty of our Year 5 children have started attending the Saints Study Centre once a week.

After the induction day last week the sessions will now run after school.

During these sessions the children develop their Literacy, Numeracy, Computing and Life Skills.

The coach that delivers the children back to school is staffed and chaperoned by the Saints staff. They have parent contact numbers if there is any issue on drop off or if they need to contact you.

PTA Film Night

The PTA will be holding a film night on both sites next Tuesday after school.

Tickets are on sale from the PTA, but not available from the school office.

Details are all on the letter from the PTA.

Young Voices

We are currently in the Birmingham Arena rehearsing and ready to sing to the masses. We will make sure we take photographs and hope to see some parents joining us there to participate in this fantastic experience.

School Uniform

Can we remind everyone that the school uniform is black shoes and not trainers or Heelys (which obviously can be dangerous).

Attendance

The whole school attendance since September at the moment is 95.5%.
The class with the highest attendance so far this term is Class 15 with 97.53%.

Reading Together

Latest research has shown that young children who have a love of stories and enjoy books will go on to be accomplished readers in the future. Reading to your child is just as important as hearing them read. In view of this we have started regular book sharing sessions with some of our children, where our older children are reading to younger children modelling expression and helping them to enjoy books. Both groups of children are really enjoying the experience.

Assembly Dates

The dates for our celebration assemblies for the Spring term are as follows:

2nd February - Year 5

9th February - Year 3

2nd March - Year 2

9th March - Year 1

23rd March - Reception Year

We are so pleased with the high attendance at these assemblies. It is such a lovely opportunity for you to see the children in school and to hear about what they have been working on. These assemblies start at 2:30pm. Please be aware that due to the amount of people who attend these assemblies and last minute rehearsal we cannot let the audience into the school before 2:25pm.

Thank you for your support.
