Redecoration

As we return from half term we are pleased to come back to lots of new additions and improvements in school. We have had new flooring installed in both school halls and a number of classrooms have been redecorated and had new carpets.

Mrs Gleeson

Mrs Gleeson will be changing her role slightly at school and will now be working full time supporting individuals and groups of children undertaking intervention and therapeutic work. This means that she is not available to take calls from parents and for pupil drop ins. Mrs Bluck and Mrs Field will be available for parent meetings and we will also have Miss Rosie returning next term after her Maternity leave.

If you call the school office and choose the Family Support worker option your call will be answered as normal.
