## Sensational Strictly Dancing

Well done to our two amazing Year 3/4 Strictly Dancing Teams. Both teams performed in a competition last weekend and did themselves and the school proud. They looked amazing and all of their hard work over the weeks of practising paid off, as both teams were placed in the top five and will be competing again at the Dergate Theatre later in the year for the final. Well done to everyone involved.

## Stand up to Cancer - Cake Stall Thursday 29th March after school

Next week staff at both sites, as well as Termly Learning Conferences, will be baking long into the night all in a great cause!

Staff are going to bring in their very best efforts from the kitchen to sell to pupils and parents on the last day of term, to try to raise as much money as possible for this great cause. The cake sale will take place at the end of the school day on both sites so please stop and buy some.

## Please book school lunches

The school lunches are now available to book on Live Kitchen for the Summer Term.

## Badminton

On Friday 8 children from Ecton Brook went to Birmingham to watch the badminton championships. The children had won the tickets previously at their badminton skills day back in January. There were plenty of external skill based games to occupy the children as well as watching the competition games. It was a brilliant day - enjoyed by all.

## Dates

26th/27th March - TLCs  
29th March - 3.15pm School Closes for Easter  
16th April - Teacher Training Day  
17th April - Children back to school

Dear Parent/Carer

School milk is available for ALL children

If your child is currently under 5, we're delighted to confirm that we have arranged for them to receive free milk at school, funded by the UK Government's Nursery Milk Scheme.

When your child turns 5 or if they are already over 5, you have the option to pay for their milk. We have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a small subsidised daily cost.

What you need to do:

Visit [www.coolmilk.com](http://www.coolmilk.com) as soon as possible and select "Register your child for milk", then follow the on-screen instructions to register and pay

OR

Ask the school office for a registration form - send your completed form to Cool Milk, and they will send you a payment request.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Please ignore this letter if your child is already registered for over 5's milk.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly on [customerservices@coolmilk.com](mailto:customerservices@coolmilk.com) or call 0844 854 2913.
